

# CELL ADAPTER CABLES

## 3' LENGTH WITH MINI-UHF MALE

Digital Antenna's cell phone adapter cables are a convenient 3' length. The mini-UHF male connector simply connects to Digital Antenna's PoweMax™ DA4000 Amplifier, Multi-Cell Phone Combiner or Dash-Mount Cable.

**No Port** Phones are not designed with an adapter port.  
**UBC** Port is under battery cover and not accessible.

If phone model is not listed, an adapter cable is not available.
