With multiple improvements for 2014, Lumitec's Mirage down lights remain the best performing down light on the market today. Utilizing the most efficient emitters commercially available, Mirage boasts incredible output and a profile that is among the slimmest in the industry. In field studies Mirage exceeded the output of 20 watt halogens.* Equally suited to elegant salons or no-nonsense T-tops. (*6 watt devices will exceed output of 20 watt halogens, 3 watt devices will exceed output of 10 watt halogens).
